

The Hospital Group Purchasing Organization (GPO) "Pay-to-Play" Kickback Scheme---Consequences:

- Unprecedented Generic Drug Shortages, Resulting in Deadly Meningitis Outbreak
- Patients & Healthcare Workers Denied Access to Lifesaving, Cost-Effective Drugs, Devices and Supplies
- Healthcare Costs Inflated by Tens of Billions Annually*

*Based on 1/4/12 "Connecting the Dots" white paper by Patricia Earl & Phillip L. Zweig For paper & documentation on GPO abuses, see www.puncturemovie.com. PLZ rev. 11/10/12
